

Senior Accountant

Visual Defence Inc. is a software development and integration company in security and defense sectors. Our innovative technologies are deployed in a range of vertical markets including government, airport, mass public transportation and commercial applications which require public safety and security solutions. Additionally, we have recently expanded into the areas of artificial intelligence and machine learning.

Visual Defence is an exciting company. We empower our people and always provide them with the support and knowledge that they require in order to excel. Currently, we are looking for a Senior Accountant to join the team. This role reports directly to the Chief Financial Officer and will be responsible for accounting and financial reporting for group companies.

Key responsibilities include:

- Full-cycle accounting in Sage Accpac and Quick Books for multiple entities within the group
- Assist in preparation and consolidation of financial statements including schedules and variance analysis;
- Assist in financial projections on a standalone and consolidated basis
- Performing bank, receivables and payables reconciliations
- Payment processing

Knowledge and Skills

- CPA, CMA/CGA designation required
- Experience with Sage Accpac and Quick book accounting is a must
- Minimum 4-5 years of financial accounting and reporting experience in multi-entity operation
- Above average computer skills in Excel
- French language will be an added advantage

Job Types: Full-time, Permanent

Benefits: Healthcare benefits
